

Owl Cottage

Owl Cottage is suitable for partially disabled guests.

Externally there is level access from the car park which is approximately 10 meters from the cottage.

Inside the cottage there are two steps with a hand rail (pictured below) which lead from the kitchen and dining areas to the lounge, bedrooms and bathroom.

Furniture can be moved to improve accessibility.

Badger Cottage

Badger Cottage is suitable for partially disabled guests.

Externally there are four steps which lead down from the car park with no handrail. These steps can be avoided by walking around on the gently sloped grass field.

Inside the cottage there is level access to the kitchen, lounge, twin bedroom, single bedroom and bathroom.

A double bedroom and small en-suite can be accessed via a spiral staircase.

Furniture can be moved to improve accessibility.

Access Guide

Swallow Cottage

Swallow Cottage is suitable for partially disabled guests however is less accessible than Badger and Owl cottage.

Externally there are two sets of four steps which lead down from the car park with no handrail. These steps can be avoided by walking around on the gently sloped grass field.

Inside the cottage the ground floor consists of an open plan lounge and dining area, a kitchen and a bathroom.

A staircase leads upstairs to a double bedroom, two twin bedrooms and a bathroom.

Please note there are no downstairs bedrooms in Swallow cottage.

Furniture can be moved to improve accessibility.
